

THE NEW
2008 E-SERIES
CARGO VAN/CUTAWAY/WAGON

DONE DAILY

STORAGE KING

CUTAWAY UTILITY BODY UPFIT – E-Series Cutaway can accommodate a wide variety of aftermarket Utility Body storage options to meet your vocation-specific needs. Various optional prep packages help tailor E-Series to meet your needs.

MIGHTY MOVERS

CUTAWAY MOVING VAN BODY UPFIT – Whether it's furniture, building supplies or other bulky cargo, E-Series Cutaway can be upfitted with an aftermarket Moving Van Body that delivers the volume you need to load up and get on with your business.

MASTER OF MOBILITY

FORD MOBILITY MOTORING UPFIT – E-Series is an outstanding mobility choice. Specialty van converters can add aftermarket upfits such as a fully automatic wheelchair lift, raised roof, flip seating, wheelchair restraint system and remote keyless entry. Discover a world of possibilities at mobilitymotoringprogram.com.

CAPTAIN CONVERSION

LUXURY VAN UPFIT – Whether you're looking for all-out luxury or just a bit of customization, E-Series can get you there. See your Ford Dealer for more information on vehicles available from Ford Authorized Van Converters.

GOOD DEEDS

WONDER WAGON

WAGONS (Page 15) – With several seating configurations, including accommodations for up to 15 passengers, you can take the whole crew or family with all the space you need.

READY FOR ACTION

COMMERCIAL VAN (Page 9) – With standard V8 power, available towing capacity of up to 5 tons with the optional 6.8L Triton® V10 or 6.0L Power Stroke® V8 Turbo Diesel, and multitudes of storage and upfitter options, E-Series Commercial Vans are ready to tackle almost anything.

TO THE RESCUE

CUTAWAY EMERGENCY MEDICAL SERVICE BODY – You can depend on E-Series to perform in critical situations. Just combine an aftermarket EMS Body with our available Ambulance Prep Package, which includes a 4.10 limited-slip axle ratio, dual alternators, a 5000-lb. front GAWR, and much more.

TENACIOUS TRANSPORT

CUTAWAY (Page 13) SHUTTLE BUS UPFIT – When your business is moving people, you need a dependable shuttle. E-Series has been trusted transportation and the class sales leader for nearly 3 decades.
